KMC AT A GLANCE

KMC is a campus with its pre-existent educational history beginning from 2016 BS, got its preliminary identity as Kapilvastu Intermediate College, which after undergoing a long upheaval in its course of development transformed into one authentic academic institute naming itself Kapilvastu Multiple Campus in 2037 BS, following the very indomitable and vigorous efforts and struggles shown by the educational enthusiasts, intellectuals social workers, civil society and all concerned governmental offices of this Kapilvastu district, especially of Taulihawa surroundings for promoting the necessity of this college. KMC is the first community based campus ever run by the community people in the whole academic history of western region of Nepal. With that very unprecedented achievement, at present KMC has predominantly become a very leading and successful academic institute. Not being influenced by any obsolete educational theories, it is marching ahead to maintain an international level of accreditation to maintain an international level of accreditation as shown by UGC.

LOCATION

KMC is located at periphery of the sacred pilgrimage named Tilaurakot. The Royal Palace of Lord Buddha, (Sakya Dynasty) ancient Kapilvastu is be exact. It lies about 400 meters north from Vikash Chowk and near about 1500 meters south from Tilaurakot.

MESSAGE FROM CHAIRMAN

We are proud of being leader leading to our students towards English proficiency remaining in the central of sacred soil of Kapilvastu, ancient palace of Siddhodhan, Kapilvastu Multiple Campus (KMC) is a college where student's decision is welcomed and facilities to the learners for their all-round development. It is a centre of higher quality education and vibrant learning based on learning by doing. As far as possible we try to provide family environment to uplift the excellent quality education, creating spirit in the brain of the learners. It is tried to make them different in this campus, so that once established relation would be wider as if the kinship if they once be the part of us.

OBJECTIVES

- To explore the innate potential of each enrollee applying an individual approach.
- To provide the students with the pattern of national and international curricula.
- To aware the students of their social responsibilities as civilized citizens.
- To foster the students as resourceful and innovate agent for positive social and economic transformation.
- To make the higher education accessible to all the potentials including even educationally disadvantaged people.
- To enhance students for the implementation of academic theoretical knowledge into pragmatic fields.

MESSAGE FROM CAMPUS CHIEF

With the help of our strong facilities of all the sectors, we aim at maintaining a holistic academic environment where learning becomes a joy creating a family environment. The institution focuses on students academic growth as well as intellectual excellence. Our long experience in the youth shape our destiny, it is all important to inculcate our learners with qualities that help to create global citizens who will be able to overcome the challenges of the ever changing world we are fully committed in promoting all the learners through our institution in to a nature citizens who are full of self-discipline, self-confident and self-respect.

ENROLLMENT

To enroll in the program offered by the campus an application form is given to the students which they have to fill up with necessary details and submit it in the campus. Before the admission an entrance exam is conducted by the campus for the students and a merit list is published. Students are enrolled on the basis of merit list published by the college. Students have to submit their academic required documents as well as passport size photo according to the level they want to be enrolled. Enrollment will be continuing until all the available seats are occupied.

GOAL

KMC aims at generating diversified multilateral self component highly moral and challenge seeking human resources having the potential to cope with the dynamics society nation and the global world.
